JUXT

TECHNOLOGY ROUNDTABLE

**DEDICATED EVENT WITH
JEREMY TAYLOR - HEAD OF PRODUCT, XTDB**

Looking to explore new tech with your team? JUXT wants to take you on a tour through some of the latest open source software innovations that are relevant to you!

In as little as one hour, either virtually or at your offices, let Jeremy get you up-to-speed on new technologies that can and probably will impact your work in the near future.

Get your team & tech ready for 2024!
